If you are covered under another insurer's travel insurance, you may purchase *top-up* coverage from your Travel Agent only before your date of departure from your *departure point*, and:

When can your premium be refunded?

- 1 All requests for premium refunds must be submitted to the Travel Agent from whom you purchased the insurance.

- e) The benefits payable in accordance with paragraphs b), c) and d) are in excess to all other potential sources of recovery, including but not limited to, alternative or replacement travel options offered by airlines, tour operators, cruise lines and other travel suppliers and other insurance coverage (even where such other coverage is described as excess) and will only respond after you have exhausted all such other sources.
- f) The benefits payable in accordance with paragraph c) shall be paid out of a fund and, where total claims exceed fund limits, eligible claims shall be reduced on a pro rata basis so that the maximum payment out of the fund for all policyholders shall be CDN\$5,000,000 per *act of terrorism* or series of *acts of terrorism* occurring within a 72-hour period. The total maximum payment out of the fund for all policyholders shall be CDN\$10,000,000 per calendar year regardless of the number of *acts of terrorism*. If, in our judgment, the total of all payable claims for all policyholders under one or more *acts of terrorism* may exceed the applicable fund maximum limits, your prorated claim will be paid after the end of the calendar year.

All other sources of recovery, indemnity payments or insurance coverage must be exhausted before any payments will be made under any of *our* policies. This condition is not applicable to benefits payable under Flight & Travel Accident Insurance.
